# OVERALL CLASS DIAGRAMM

A photograph taken from the perspective of a passenger looking out of an airplane window. The left side of the frame shows the dark, metallic structure of the airplane wing, including the main wing and several smaller flaps or ailerons. The wing extends diagonally from the bottom left towards the top right. Below the wing, a vast, dense layer of white clouds stretches across the horizon, creating a textured, undulating surface. Above the clouds, the sky is a clear, deep blue, with a slight gradient of light near the horizon where the sun is likely to be. The overall composition is clean and professional, with the text 'AIRSIDE MANAGEMENT' overlaid in white, bold, sans-serif capital letters on the left side of the image.

A magnifying glass is positioned over a bar chart, focusing on the Q2, Q3, and Q4 data points. The chart features blue and green bars for each quarter. The text 'FINANCIAL MANAGEMENT' is overlaid in white, bold, uppercase letters, with a horizontal line underneath. The background is a blurred image of the same chart, showing Q1, Q2, and Q3 data points. A vertical axis label '1,000' is visible on the right side of the chart.
